Preface

This catalog covers publications, conference papers, and data products by ERS staff (or sponsored by ERS) that were published, presented, or released in fiscal year 1988 (October 1987–September 1988). This catalog is comprehensive as far as ERS periodicals, situation and outlook reports, monographs, and data products are concerned. Other publications by ERS staff or sponsored by ERS are included only to the extent that they were reported in fiscal year 1988 progress reports. For information on how to obtain an ERS publication listed here, contact the Information Division (202–786–1512). Inquiries about other publications and conference papers listed here should be directed to the authors.
